

Dr. Nasir Ahmad Salati

Dear Friends, Colleagues, and Esteemed Contributors,

I am both honored and thrilled to present this issue of the University Journal of Dental Sciences as the Editor-in-Chief of this prestigious publication. As we embark on this journey, I invite you to reflect on the significance of this endeavor, the challenges facing our field, the diversity within dentistry, and the emerging role of artificial intelligence alongside new developments in dental sciences.

I am grateful to the editorial board, reviewers, and authors who have worked tirelessly to bring this issue to fruition. I am excited about what lies ahead and look forward to making this journal a leading resource in dentistry. Thank you for joining us on this journey. Let us illuminate the path forward and together inspire new entrants.

I encourage clinicians, researchers, educators, research scholars, and postgraduate students to consider the University Journal of Dental Sciences, A.M.U. as their preferred journal. Whether you are submitting a manuscript, participating in peer review, or engaging with the content, your contribution is vital to our progress. Together, we can build a vibrant community of scholars, experts, and practitioners committed to advancing the frontiers of knowledge in dentistry.

In closing, I would like to express my gratitude to Prof. R.K. Tiwari, Principal of Dr. Z.A. Dental College, Associate Editor, Dr Pankaj Kharade, and former editors—namely, Prof. N.D. Gupta, Prof. M.K. Jindal, and Prof. S.S. Ahmad—for their dedication and commitment to this journal.

Lastly, I will continue my efforts to uphold the international standards of this journal, and I sincerely hope that quality articles are published that will benefit our fraternity.

Warmest regards,
